Cobble Coat Non-Skid Clear Sealer for Concrete/Pavers/Stone

Cobble Coat Non-Skid formula is a water clear, solvent based sealer designed to protect and beautify concrete floors, Texture Deck, and brick pavers where a slip resistant film is desired. Cobble Coat Non-Skid offers excellent water and UV light resistance with unusually good adhesion to a variety of substrates.

Characteristics and Technical Data

% Solids by Wt.(+/- 3%)	27%
Gardner Gloss @ 60	90
QUV (ASTM D G-53)	2000 hours no gloss loss
WT./GL.:	7.9lbs
Coverage:	200-250 SqFt./Gl. @ 2 mil DFT
Clean Up:	Xylene/ lacquer thinner
VOC's	595G/L

Directions

Stir product. Surfaces must be clean and dry before sealing. Cobble Coat Non-Skid's performance is directly related to how thoroughly the surface is prepared. All grease, oil and potential contaminants must be removed. Concrete should cure a minimum of 28 days before sealing. Read label instructions carefully. Smooth concrete must be etched. Cobble Clean and Cobble Prep may be used for specific cleaning situations. Two thin coats(2 dry mils) provide the best results. Do not apply when the temperature of the air or the surface to be coated is below 50F. Testing the product on your surface is always recommended to ensure desired results.

Dry Times

Dry to touch: 30 minutes
Light traffic and recoat: 3 to 4 hours
Full cure: 48 hours

Packaging & Unit Shipping Weight

1- gal cans- 4 gal. per case- 40 cases per pallet: 35 lbs per case
5- gal pails- 36 pails per pallet: 45 lbs per pail

Warning: Coated surfaces may become slippery. Reliance Supply's non-skid additive has been added to this product. However, it is the sole responsibility of the applicator to determine whether this product is adequate for their surface.

Use with adequate ventilation.

All Reliance Supply Company products are manufactured with the finest raw materials. The shelf life is 12 months from date of purchase when maintained in protected storage of 50F to 90F. It is the applicator's responsibility to determine the appropriate use of the product. All recommendations and suggestions are made without guarantee, since the conditions of use are beyond our control.
